Dublin Police Safe Exchange Zone

In a proactive effort to safeguard our residents, the Dublin Police Department and the City of Dublin announce a new "Safe Exchange Zone" in the front parking lot of the Dublin Justice Center.

The "Safe Exchange Zone" provides a safe environment for people, who buy, sell, or trade items in private party transactions. There are two designated parking spaces at the Justice Center and both are under 24-hour video surveillance.

"Our intention behind the "Safe Exchange Zone" is to prevent potential fraud and robberies that can be associated with these types of transactions," said Chief Justin Páez. "We want to continue to protect our residents to the best of our abilities and this is another service we can offer to keep everyone safe."

Here are a few safety tips to keep in mind when conducting such transactions:

- Do not go to a transaction alone
- Make sure a friend or family member is aware of the transaction details
- Insist on meeting in a public area like our safe transaction zone
- Do not go into someone else's house, and do not allow them into yours
- Complete the transaction during daylight hours
- Be extra cautious when buying or selling valuable items such as vehicles and jewelry
- Trust your instincts and be cautious of scams

The Dublin Justice Center is located at 6565 Commerce Pkwy, Dublin, OH 43017.

Smart911 Now Available in Dublin

Dublin residents now have the opportunity to sign up for a new emergency communications tool, Smart911. This tool will provide communications technicians at the Northwest Regional Emergency Communications Center (NRECC) with vital information about participating residents to share with first responders.

All of the residents that NRECC provides emergency communications services for in the cities of Dublin, Hilliard, Upper Arlington, and Washington Township and Norwich Township, can easily create their secure "Safety Profile" at www.smart911.com. The safety profile will automatically display to emergency communications technicians when a 9-1-1 call is placed from a phone number associated with a Smart911 profile. This technology helps provides first responders with vital information that can help improve incident outcomes.

Now, police can have immediate access to a photo of a missing person in seconds rather than minutes or hours. Fire crews can arrive at the scene of a fire knowing how many people live in a residence and the location of bedrooms and EMS teams can have detailed information about a person's allergies or prescriptions they're taking.

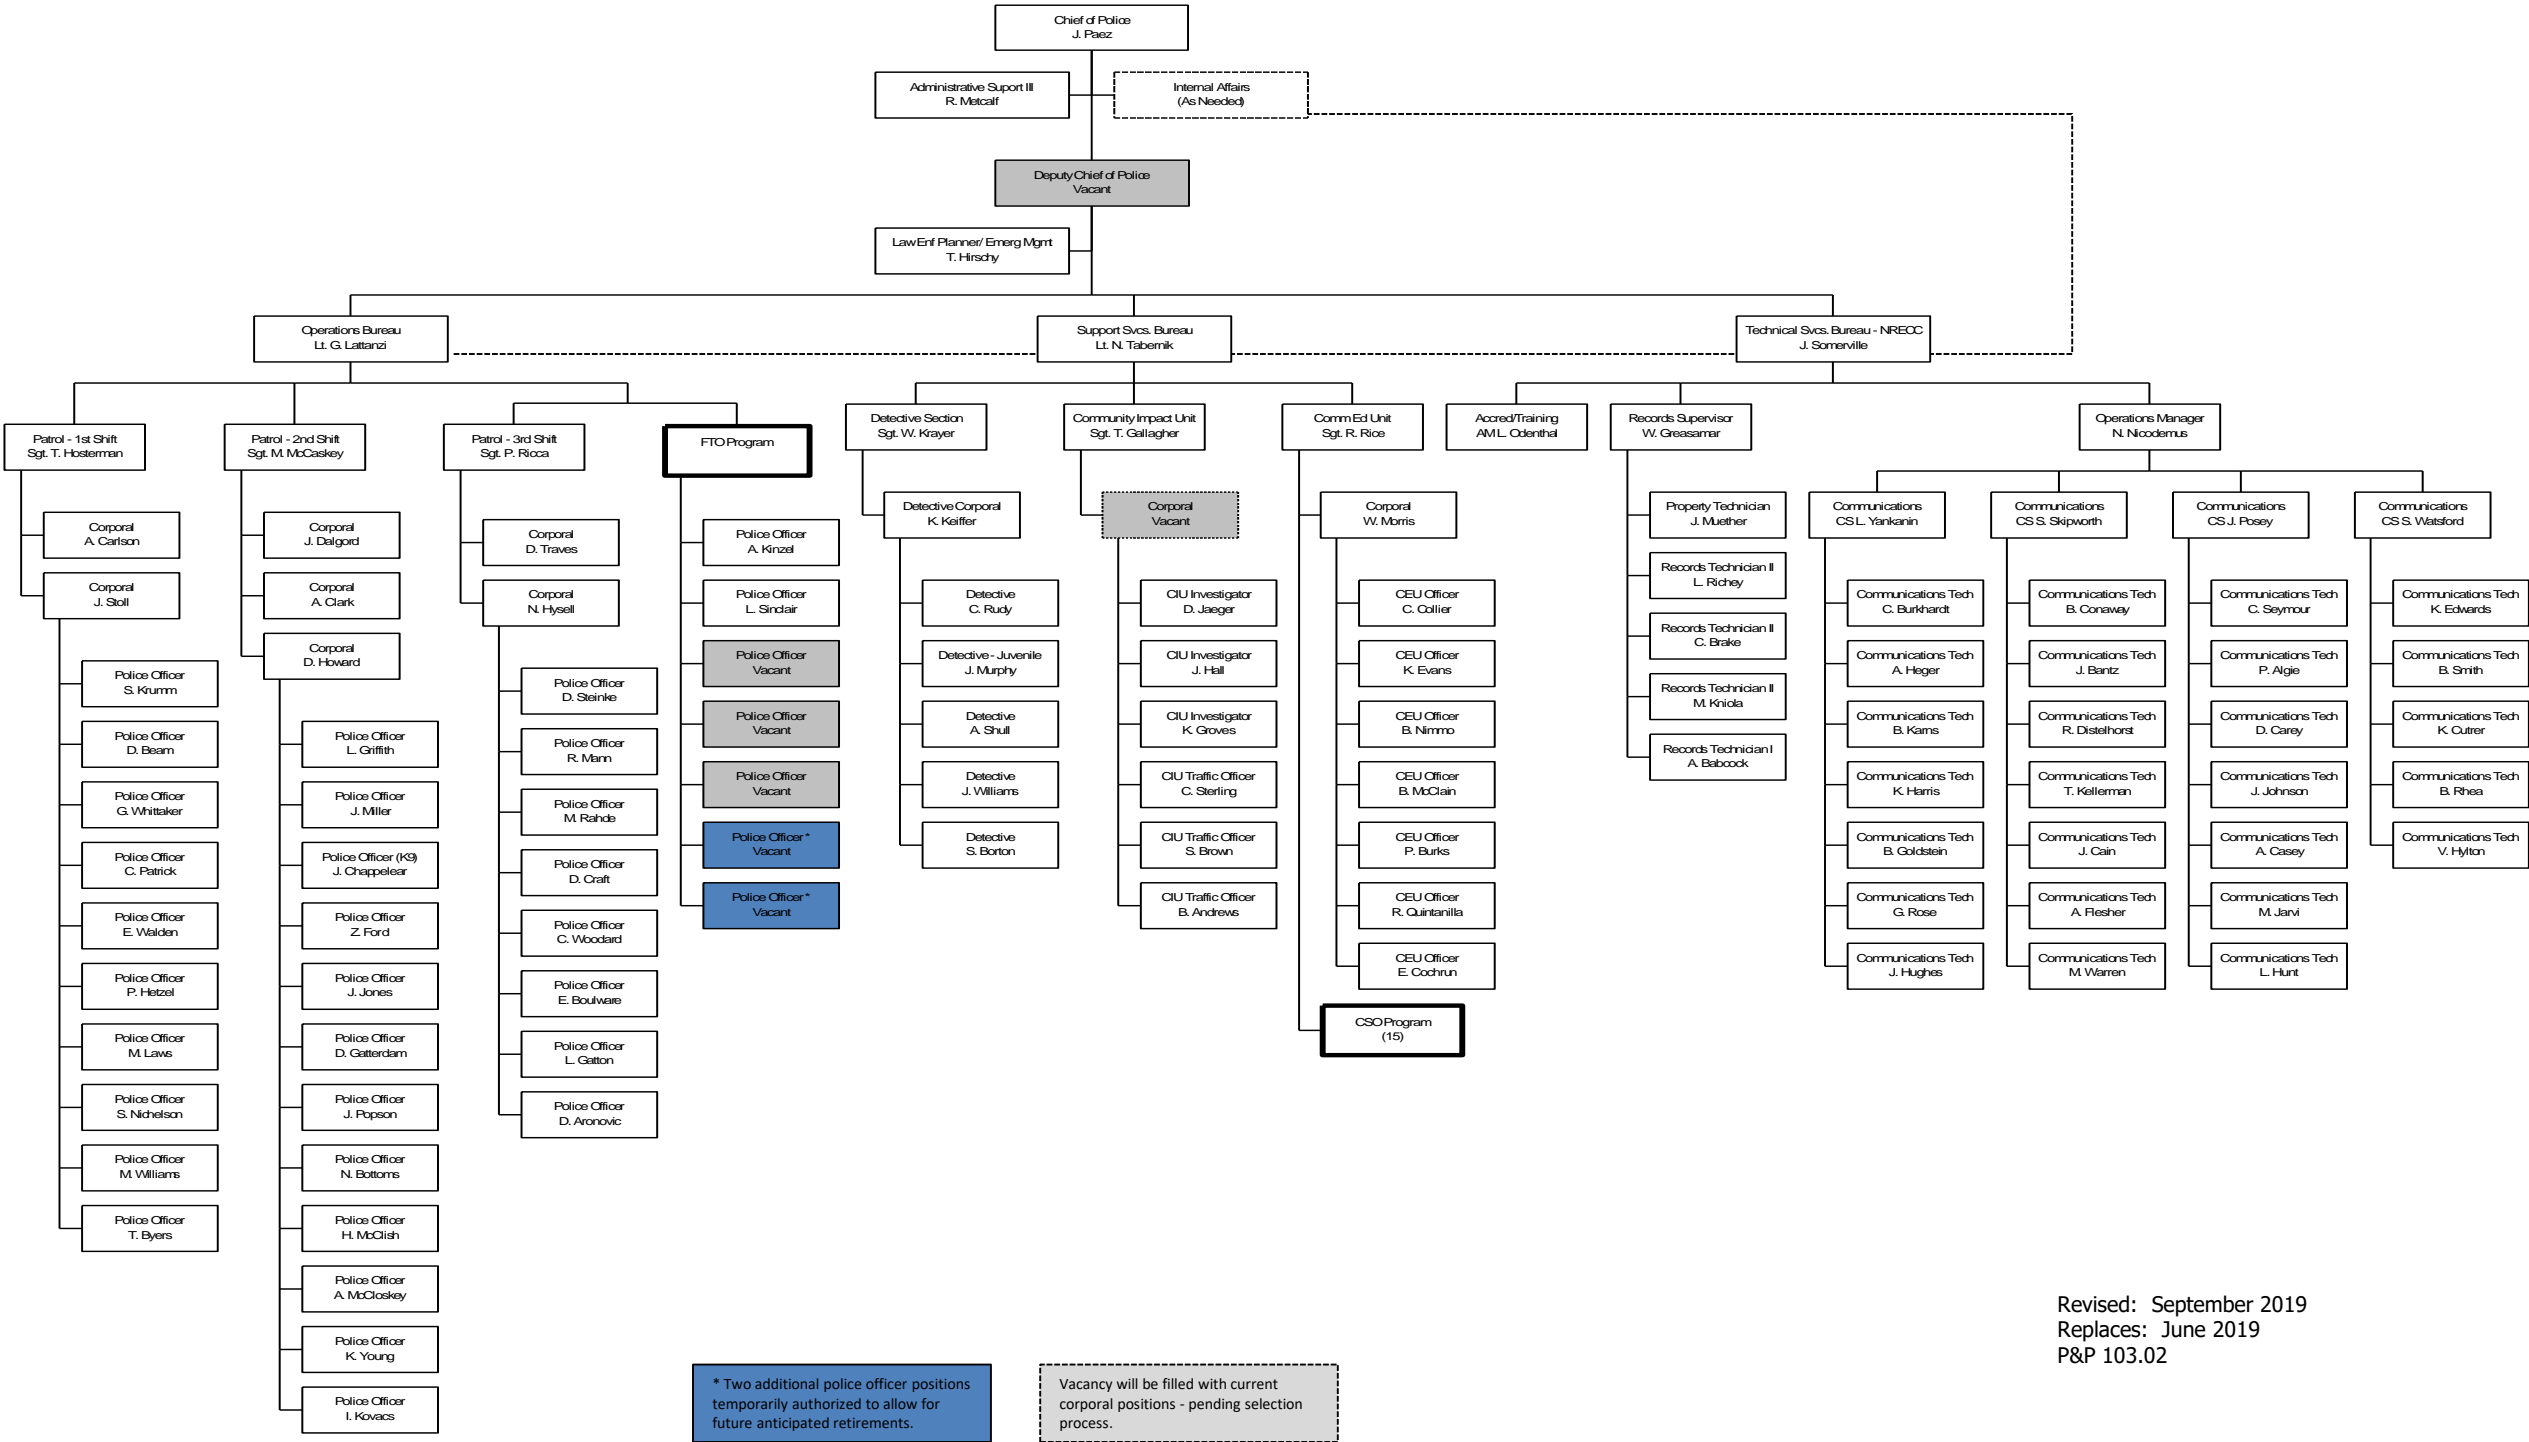

How to Sign Up:

You can sign up for Smart911 at www.smart911.com or download the Smart911 App on the Apple Store or Google Play and create a "Safety Profile" for your household to give 9-1-1 valuable information about yourself, family members, your home, pets, and even vehicles. Your profile is private and secure, and you control what information you share with emergency responders. These details can save seconds or even minutes during an emergency.
